

International Students:

Michigan College of Beauty welcomes applications from international students who have completed secondary education and are eligible for admission to college-level studies. A **TOEFL** exam is required as part of our admissions criteria for international students whose legal status enables them to study in the United States and whose native language is not English.

According to the Educational Testing Service, "The purpose of the TOEFL is to evaluate the English proficiency of people whose native language is not English. The test uses a multiple choice format to measure the ability to understand North American English. It is given in a single session of about three hours, including the time required for admitting examinees." For admission to Michigan College of Beauty, a minimum score of 500 is required on the hand-written test and 61 required for the Internet-based test.

To receive more information on the TOEFL test, including test dates and testing centers, visit the TOEFL website at: www.toefl.org/

When registering for the TOEFL test, be sure to include **Michigan College of Beauty's School code of 4450** on the test application. After taking the test, the results will be received by Michigan College of Beauty in about five weeks.
